

Enhance employee communication and collaboration with corporate-class email, shared calendaring, and task and contact capabilities

## Overview

Experience the difference with an easily deployed, managed, and scalable messaging solution. Hosted Microsoft® Exchange is an advanced productivity solution featuring corporate-class email and shared calendaring, task, and contact capabilities. It enhances employee communication and collaboration for businesses and organizations of any size. We provide Hosted Exchange at an affordable monthly cost, eliminating your daily maintenance worries with no investment in costly IT infrastructure.

## HOSTED EXCHANGE FEATURES & BENEFITS

- Easily managed email, calendars, contacts, and tasks
- Available virtually anywhere, anytime. Supported devices include PC or Mac®, web browsers, or popular mobile devices or tablets including BlackBerry®, Android®, and iPhone® or iPad®
- Contact Management with shared calendars & scheduling
- Premium spam & virus protection
- Ability to screen, encrypt, and block sensitive content to meet regulatory requirements
- Native integration with other Microsoft services such as SharePoint, Office® Live Meeting, and Office® Communicator

## ADD-ONS

Available add-on services allow you to create a customized solution that's perfect for the way you do business. Add-ons include mobile device synchronization for most major handhelds, advanced email encryption, robust email archiving and compliance capabilities, and more. Additional services include:

- Mobile connectivity for iPhone®, Android®, Windows Mobile®, and BlackBerry® devices
- Web-only email access
- Advanced Email Encryption
- Compliant Archiving, Legal Hold and eDiscovery
- Secure Instant Messaging with Presence
- Web Conferencing
- Continuity
- Active Directory Sync Integration
- Dedicated Resource Mailbox

## BENEFITS OF HOSTED SERVICES

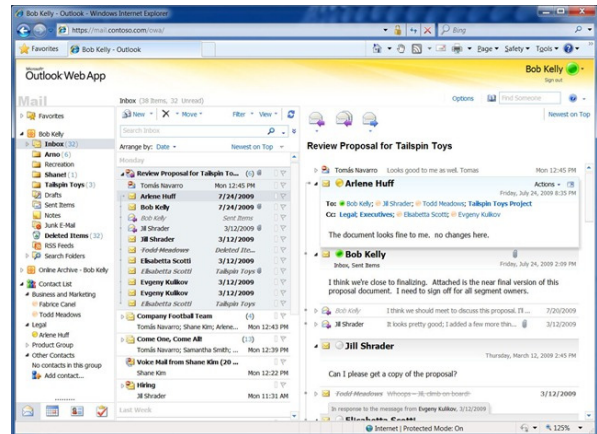

Hosted Exchange provides all of the benefits of an enterprise-class email communication and collaboration solution without the costs and headaches associated with managing it in-house. Benefits include:

- Rapid access to an enterprise-class collaboration and content management platform
- Reduced Total Cost of Ownership
- Simple and cost-effective scaling as business requirements change
- 24/7 customer support
- World-class security and reliability

## A CLEAR ADVANTAGE

We are proud to deliver world-class communication, collaboration, and IT solutions that are reliable, relevant, easy to use, and provide high value. Our focus and commitment differentiates us from the competition, allowing us to provide you with:

- **Guaranteed Reliability** - Advanced, enterprise-class secure and reliable service delivery network backed by financially guaranteed 100% scheduled uptime (SLA)
- **Exceptional Customer Service** - 24/7 fully-U.S. based customer support as well as online resources for self-service
- **Ease of Management** - AD Sync and a single Control Panel to administer all of our provided services
- **Unbeatable Value** - Enterprise-class services delivered in the Cloud without the need to purchase and maintain expensive servers, licenses and support contracts.
