

Share information & work collaboratively with partners, coworkers, & customers – in a central, Web-based location

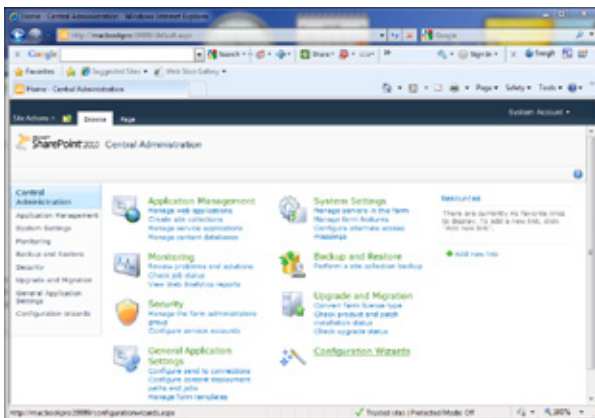

## Overview

Gain control of your content and more effectively leverage information with Microsoft® SharePoint. This affordable, enterprise-class collaboration and content management platform provides companies and organizations with powerful out of the box tools that let you maximize productivity, adapt quickly to changing business needs, and easily access vital information. Coupled with our world-class service and a predictable monthly price, SharePoint will help you cut costs, save time, and focus your resources on higher business priorities.

## HOSTED SHAREPOINT FEATURES & BENEFITS

- A single platform to manage and access corporate information in databases, reports, and business application
- Tools and components for creating do-it-yourself business solutions
- Built-in compliance measures
- Familiar, easy to use interface
- Seamless access from a variety of platforms and devices

## ADD-ONS

Available add-ons allow you to create a customized solution that's perfect for the way you do business. Our team of experts can design, install, configure, and customize a SharePoint solution that addresses the unique needs and requirements of your organization. Additional Services Include:

- Web Parts
- Dedicated Servers
- SSL
- Personalized URL
- HIPAA/SOX/PCI Compliance

## BENEFITS OF HOSTED SERVICES

Hosted SharePoint provides all of the benefits of an enterprise-class collaboration solution without the costs and headaches associated with managing an in-house solution. Benefits include:

- Rapid access to an enterprise-class collaboration and content management platform
- Reduced Total Cost of Ownership
- Simple and cost-effective scaling as business requirements change
- 24/7 customer support
- World-class security and reliability

## A CLEAR ADVANTAGE

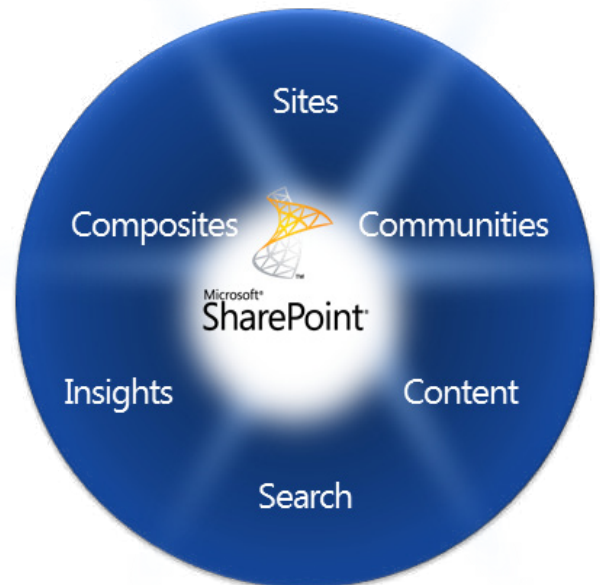

We are proud to deliver world-class communication, collaboration, and IT solutions that are reliable, relevant, easy to use, and provide high value. Our focus and commitment differentiates us from the competition, allowing us to provide you with:

**Guaranteed Reliability** - Advanced, enterprise-class secure and reliable service delivery network backed by financially guaranteed 100% scheduled uptime (SLA)

**Exceptional Customer Service** - 24/7 fully-U.S. based customer support as well as online resources for self-service

**Ease of Management** - AD Sync and a single Control Panel to administer all of our provided services

**Unbeatable Value** - Enterprise-class services delivered in the Cloud without the need to purchase and maintain expensive servers, licenses and support contracts.
